The Competition shall be open to such clubs ('member clubs') which the Competition Committee (the 'Committee') decide to invite to compete and whose teams consist exclusively of former members of their school who were full-time academic students for a minimum period of three consecutive school terms and who have permanently finished their secondary school education.
3. No person may ever play for more than one member club in the Competition.

N.B. It is the responsibility of member clubs to comply at all times with the eligibility rules. The Committee's decision on all eligibility issues shall be final and binding.

5. Invitations to compete in the Competition shall be decided by the Committee by majority vote. All invitations will be communicated to clubs by the Secretary of the Committee on an annual basis. The Committee will have responsibility for the Competition's Rules and playing regulations and all disciplinary matters and other disputes regarding the Competition or the application of these Rules and playing regulations shall be subject to full and final adjudication by a majority vote of the Committee, who shall have the power to impose such sanctions as it deems appropriate (including but not limited to formal warning,

 16. The Committee shall have the power to co-opt a representative of a member club to fill up any vacancy in their number which may occur during the year, subject to ratification at the subsequent Annual General Meeting by a majority vote of member clubs present.  17. The Committee may appoint sub-committees to whom it may delegate any functions that it considers would be better exercised by a sub-committee which will act on the direction of the Committee. Any sub-committee may co-opt additional members from the competing member clubs.

Annual General Meeting

18. The Annual General Meeting (AGM) shall be held not earlier than 1st November and not later than 30th November in each year. Twenty-eight days' written notice of the date, time and venue of the AGM shall be given to the member clubs by the Secretary in such manner as the Committee decides to be most effective to draw it to the attention of the member clubs. Each of the member clubs shall be entitled to one vote and the Chairman or his deputy (as applicable) shall have an additional casting vote in the event of equality of votes. The Chairman shall chair the meeting, or nominate a deputy in his absence, in default of which those representatives of member clubs present shall elect a chairman for that meeting. Each member club may be represented by a number of delegates but shall have only one vote.
19. The business of the AGM shall be to approve the minutes of the previous AGM; to receive a report from the Secretary on the Competition; to receive from the Treasurer a statement of accounts for the preceding financial year; to elect the President, Vice-Presidents, Officers and Committee members in accordance with these Rules; to decide upon any resolution or matter for discussion which may have been submitted to

the Secretary by either the Committee or a member club for inclusion on the agenda of the meeting. A resolution by a member club must be given in writing to the Secretary by no later than 28th September. Such resolution by a member club must also be seconded in writing to the Secretary by no later than 28th September by another member club. 20. All resolutions accepted on to the agenda of the AGM require a proposer and seconder with the vote taken by a show of hands and on a bare majority of the votes cast for and against, excluding abstentions, by those present and eligible to vote, with the exception of resolutions regarding the Rules and playing regulations of the competition, and resolutions put to the meeting to reverse, amend or overturn a decision of the Committee, that shall require a majority of at least two thirds of the votes cast for and against the resolution, excluding abstentions, by those present and eligible to vote. The matches shall be played on those dates unless, with the exception of the final which shall be played on the date fixed by the Committee, an earlier or later date is agreed in writing by both member clubs and informed to the Secretary and Chairman in advance of the match being played, and provided that all member clubs shall achieve a result by the Sunday preceding the date of the next round in accordance with the procedures set out in the Rules and Playing Regulations. The

Committee shall use its best endeavours to fix dates that do not clash with other competition cricket and the main period of college and university exams.

25. All matches except the final must be played on the relevant member club's school ground whenever it is available. If not so available then the match must be played on a ground regularly used by the home side, failing which on a ground mutually acceptable to both member clubs. If it proves impossible to achieve a result in a match on the agreed set date, the member club which did not have the choice of ground in the first instance shall have the choice of ground for the replay, subject to the conditions applying above to the initial match and to the Playing Regulations of the competition. The home club will bear all the costs of staging each match.
26. The Final shall be played on such ground as the Committee shall from time to time decide and the costs of each Final shall be borne by the Competition.
27. The draw for the following year's Competition shall take place on any occasion deemed appropriate by the Committee provided that member clubs shall be informed of the occasion and have the right to be present at the draw.
28. Any member club failing to fulfil a fixture on the date set for the match **save in exceptional circumstances** shall either be expelled from the competition by the committee or be suspended by the committee from receiving an invitation to play in the competition for such period of time as the committee deems fit. The decision as to whether exceptional circumstances have arisen under this Rule shall be taken by a majority vote in the Committee, whose decision shall be final and binding.
29. Any disputes arising in the course of the Competition shall be decided by the Chairman and Secretary in consultation with the Committee. Decisions as to all such disputes shall, if necessary, be decided by a majority vote in the Committee, whose decision will be final and binding.

34. Any matters not provided for by these Rules or any case of doubt as to the meaning and effect of any of these Rules shall be decided by the Committee. Decisions as to all such matters shall, if necessary, be decided by a majority vote in the Committee, whose decision will be final and binding.

35. All member clubs shall be jointly and severally liable for any financial liabilities of the Competition.

In the event of dissolution then any surplus funds shall be distributed to the member clubs in equal shares.
